“ We are in shock! Hilary was such a great mom. I used to think of her as one of the Super Moms of the Y who was so organized and always had it together. Brianna was clearly her major priority. She always had such a bright smile and positive attitude. She will be missed! Vince, you and Brianna and both of your families are in our thoughts and prayers.

“ Dear Vince, Brianna and family,
We were so shocked and saddened when we heard about Hilary. Although I only knew her through my sister (Debbie Smith), each time I saw her she always had a smile--the kind of smile you see on a person who is truly happy and appreciative of the blessings she received in life, and she had many blessings. I wish I could've known her better, but will always remember her with happiness and with great admiration and respect for the wonderful mother and person that she was. May God be with you all during this incredibly difficult time.
