“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfort from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ Howard was my grandfather. He and my grandmother Joan have gone too soon. I miss them both everyday. My son Ethan is very sad not to have his "favorite Grandfather in the world" here anymore. Grandpop was the funniest guy around, and I only ever heard him raise his voice once. Love you and miss you always. - Megan Elyse Johnston
