“ Dear Kevin and Family, This morning Will told us the sad news of your Mother's sudden death. Let me first extend my heartfelt sympathy and condolences to you and your family. The loss must be very difficult for you as you face these first numbing days of grief and sadness. Though I never met your Mom, I remember how touched I was when you described the scene, as her grandchildren would play with her during her illness. Her strength and love were both captured in that story, as was your obvious love for her. Keep in mind that this office is filled with people who care about you and are thinking about you in your sorrow. I am very sorry for the loss of your Mom. With sincere sympathy to you and your family during this period of mourning, my thoughts and prayers are with you. Deepest regards, Jeff Larsen

“ Dennis, Have great memories of your Mom from our days at Villanova. She was a no-nonsense woman. She loved her family and was a great role model for mothers raising boys. I think I used a few of her tips w/ my own sons. Remember hanging out at the Perkiomen cafe. Imagine her hanging out with your Dad now in heaven. She was lucky to have you by her side Dennis in her last days. God bless her.
