I just today found out about Ivan's passing. Saddens me so very much. I also had late nite conversations with him and we would always catch up on what was happening in our lives. Unfortunately I had been very ill and had not talked to him for weeks. When I tried his land line and it had been disconnected I just knew something had happened. Will always remember you Ivan. You were such a good friend to me in so many ways.

Love you forever my very dear friend,

♥ Marcia.....
