“ *I was saddened to learn of Karen's passing from the Chester County Council staff on Saturday. She was an integral member of the Diamond Rock District Staff during my early tenure with the Scouts. Her willingness to tackle any job that needed to be done was second to none. She served as the Day Camp Director for a few summers and delivered the best summer camp experience a boy could ever want to have. Karen you will be missed by so many. Thank you for your unselfish service to the Boy Scouts of America and to the Phoenixville Community. I offer my condolences to her family. You are all in my thoughts and prayers.*
