“ I and my family are truly sorry to hear about Mr. Cerini. He was a great family friend when I was growing up in the South Beach projects. I was terrible in math and he was my tutor which believe me took some patience. He was also my sister Stephanie's piano teacher. I remember him being active as a scout master with my father and also remember him being soft spoken and just a really nice man and feel like I lost an old friend. Charles

“ Sincere Regards to Jack's family. Jack was my Assistant ScoutMaster @ Troop 12, St. John's, Rosebank, S.I. Jack taught me chess and the day I beat him was truly momentous. Jack was a true character builder, both within and without the B.S.A. I went on to become an Eagle Scout and earn a Ph.D. in Philosophy, teaching college for 41 years. I would like to think that Jack has had no small part to play in this educational journey. Once again, my sincere condolences. Jim Finn, formerly @ 150 Lamport Blvd. Staten Island, NY 10305.

“ I'm part of the Finn family, the youngest, but I remember Jack just being the nicest man and one of the most beautiful piano players I have ever had the pleasure of listening to. He always had a kind word and wink for everyone he met. He will be missed. My deepest condolences. Mary Finn
