“ Jack was a fantastic mentor and a kind and honorable man. A true friend in every sense of the word and a great boss. We had many deep conversations over the 20+ years I worked with him and they all circled back to the love and passion he had for life, his family and friends. It was an honor to have known him and I will miss him everyday for the rest of my life.

“ *I was fortunate to know Mac since I was 6 years old. We played football together as young boys-he taught me so much that I wound up breaking his ankle. Then we were lucky enough to play for a Champion Ship Team. Jack and I, along with Bill Cook were chosen to lead the best group of guys one could imagine. This turned into a Brotherhood--but I had the jump on all of them. I knew him First. Jack-Remember the " Mayfair Midgets" I love ya buddy-Bob Sariego*

“ Deb, Jack Jr., Sean and Brianne, I was so sorry to hear of Jack's passing. I know he will be missed terribly. Casey and I were talking and she reminded me of Jack's concept of a Dog Gated Community on Peacock Dr. It brought a smile to my face. He was a big personality, and will leave a big hole. My thoughts and prayers are with you all.
