“ *Jimmy, Becky, and Jeremy,
So very sorry to hear of your son's passing. You never think they will pass away before you. However they have minds of their own and will do what they want. You can not always protect them from harm. My heart goes out to all of you. Just know we will be thinking of you as you go thru this heartbreaking time. Think of all the good times you had and keep those with you. Keep his memory in you hearts.*
