“ I was deeply saddened to hear of Jackie's passing. I knew Jackie when she lived in Morro Bay, California and was the Director of Medical Records for San Luis Obispo General Hospital where I also worked under her guidance. She was a wonderful boss, sweet person and always fun loving and adventurous. I remember a couple of times when her mother came to California and even participated in one of our potlucks at work. May our Lord be with her sister at this most difficult time. Jackie will be missed but not forgotten.
