“ So sorry to hear of the passing of your Wife/Mother/Grand Mother. Miss Scholz was my 5th grade teacher at West End in Lynbrook, Ny. She was one of my favorite and most influential teachers. I remember the day she came in to class and said she was getting married (that in itself was a major shock!) and that when we all returned from vacation we would have to be able to pronounce, and spell her new last name. She was a great, great lady.

“ To the Schlichtherlein family,  
I wish to express my deepest condolences. Words cannot express my sorrow. I was a student of hers at Lynbrook North Middle School, and she instilled in me, for the first time in my life, that I was a brilliant student. At the time, I was a lazy underachiever. Mrs. S. taught me how to be a successful member of academia, by getting me to stop procrastinating, and to ALWAYS, keep at least 2 chapters ahead of our curriculum at all times, while always taking copious notes. Gone too soon.  
With deepest condolences,  
Dr. John Taormino, Class of 1978, Lynbrook North.

“ Remembering Jackie: I can remember sitting in the faculty room at Lynbrook North Middle School and breaking Jackie's chops about "woman's liberation." We were going at it, all in fun, and Dan Roper chimed in. Now it was two against one. We started to kid Jackie about women in the military. Jackie now stands up and looks at Charlie Deangelis, Norths music teacher. She turns to Dan and I and says in her low and authoritative voice, "who would you rather have protect you? Him (pointing at Mr D. ) or me!!!!" Dan looks at me and says "I guess you got us Jackie." Jackie was such a respected person. She defended the entire Lynbrook faculty as our Union Vice President. She always found good in everyone. I have so many great memories of Jackie. I know if I make it to heaven, Jackie will be at the gate logging me in at the pearly gates. She will probably look at me and say "park it mister, I have a few things I have to say to you." My prayers go out to Ralph and all of Jackie's family and friends. Rest in peace Jackie, you made me a better person.

“ Dear Ralph and members of Jackie's family,  
It was a sad day for all of us on the LHS faculty when we had to say "Good-bye", knowing that Jackie would be leaving us for Pa., but the solace was always that she would be involved in whatever her new home offered and would be cheering another corner of the country with her wonderful self. News of her passing leaves all of us the poorer. How grateful I am, however, to have known and worked with her during her tenure at the high school. She was an important and wonderful addition to the faculty and a rare gift to those of us who shared a common lunch hour. Thank you, Jackie, for being an important and memorable part of my life.  
My condolences,

“ I am so sorry for your family's loss. I have been a neighbor of Jackie's for over 7 years and have even served on our community's Board of Directors. We didn't always see eye-to-eye, but I respected Jackie's opinion as she only wanted the best for our community. She worked tirelessly to this end and was well informed and organized. I also enjoyed many Tuesday night dinners at the Sandtrap and other local restaurants socialist with Jackie, Ralph and other neighbors. I will miss her friendly face and lively conversation.

“ Mrs. Schlichthernlein was a 7th grade teacher and I stayed in touch with her through High school. We had a friendly wager each year on which team would finish higher in the NHL standings her beloved Islanders or My Bruins....She was an excellent educator and while tough she was always fair. My deepest Sympathies.....Vince Iovine

“ Mrs. "S" was one of the hardest teachers I ever had, but I did learn a lot from her! She was also one of the most caring teachers I knew! She will be missed greatly. I'm so sorry for your loss. I do remember her well, as do the rest of her Lynbrook north students. RIP
