“ *Thank you for giving me the best gift of them all: unconditional love. I am so glad we were able to reconnect and reconcile before you went to Heaven. The laughter and memories and reminiscing brought so much healing to both of us. I was grateful for the time we shared and, more importantly, the love that was never lost. I miss you immensely. I love you eternally. I am forever grateful for the grace and love shown to me that I aspire to pass on to many generations. Your wit and humor and unwavering love of God to the end is something I will carry always. It is well with my soul. Until we meet again, Dad. I love and miss you forever times infinity.*

“ *I am so sorry to hear about your father's passing. I knew Jimmy from Takoma Park. We would go on the church retreats together. I remember at the retreat that all the girls lined up on the pier as your father would do tricks into the water as we watched. My thoughts and prayers are with you and your family.*

“ *Jim was a kind, gentle and giving man. He always knew what to say to put a smile on your face and a "warmness" in your heart. I was blessed to have both Jim and Joan in my life and to assist them with their care! Dear Jim, May You Rest in Peace!!*
