“ Dearest Regina and Children, Our entire family was so very sad to hear about Jimmy's passing last year! I just got internet so therefore the late condolences. My Dad (Calvin Jacobs "Jake") knew and worked with Jimmy at GE (Lockheed Martin) for years....they were like father and son, Dad loved Jim! He was so upset over the sudden hearing of Jim's passing he could not even attend his services!! On January 3 of this year my Dad passed away...a sad day and great loss to our family. I believe Dad, Jimmy and Bobby Dawson are in heaven above all together again like the buddies they were here on this earth..Jimmy joking and laughing, Dad giving his opinions and Bobby giving his input! They are all wondering "what the heck are we doing here?" Jim was fun, smiling and always so friendly. I remember many years ago at a New Year's Eve Party in Spring City I was talking with him and suddenly a song started playing and he ran away saying "I have go dance with my beautiful, gorgeous wife." and off he went! He loved you so very much! How lucky you were to have him as your husband, friend and father of your children. A large void has been left in your and your children's lives...unbearable void! I pray for you and your children that you may heal and hold on to the wonderful memories of a great and loving husband and father forever! We surely miss our loved one's so much but we had them in our lives for a short time and will always cherish that more than anything! Please stay strong and continue to make Jim proud of you and the beautiful children you had together...he would want that. My prayer's and thoughts are with you always and your love will be "Always and Forever" with him and his with you. Love, Sharman, Ann Jacobs and family.

“ I only had the pleasure of knowing Jimbo a short time, but that's all it took to know what he was all about. He could make you smile just by walking in the room and was a person you just wanted to be around. A good time was even better because he was there. Friday and Saturday nights will never be the same at Jake's house without Uncle Jim there. My friends who knew him much longer than me thought the world of him and I know why. What a great guy who showed us that the happiest man is a family man.

“ My heart goes out to all of you. Jim was absolutely one of the great ones. I can still remember growing up and he was building your house with his own hands across the street from me. And then when you all moved in, he was nothing but a fun loving guy to all the kids. I will most remember his work ethic and fun personality. He worked extremely hard to provide for his family and I hope it is a quality to have one day with my family; do whatever it takes. His family was his world and know it must be very difficult for you right now. If ever there is anything I can do, please do not hesitate to ask. Even though I live in Pittsburgh, I will always be there to lend a hand if I can. You guys are like a second family to me. I grew up with all of you and nothing has changed that. I will always remember Jim and his character. I am very sorry for your loss but I also feel I lost someone as well. Keep your chins up, thats what Jim would want. Love you all. Ian

“ Jim ... You and I were sent the most Precious Gift of Five (5) of the most Beautiful Children in the World. No parent could be more proud of each of them than you and I. Together we gave them more Love than anyone could ever imagine and each of us instilled the morals, values, and closeness to always be with each other forever and always. Each One of Your Children Loved You in each of their own Special Ways and You Shared your Love to Each One, individually, and together as a Family. You placed a mark on each one to hold you in their Hearts forever and each one will NEVER EVER FORGET YOU. Every moment of Every Day, they will always be with you. Their Hearts ache so much inside because they miss You. They miss their Daddy ! No child or children could ever have Loved their Dad as much as they have and will continue to Love YOU. They will never forget all that you have done for them and all that you and I have done for them together. You and I always did the best that we could for them. we sacrificed so much to be here for them and do whatever we could to just make it work. Sometimes it worked and sometimes it didn't. But we still made it through no matter what the obstacle and still kept trying no matter what. I could write a book of all the beautiful things you have given to their lives and mine. You worked hard . day and night . forever . for them and me. I know you know we appreciated it to, but we wish we could tell you again how much. You gave me the precious gift to be able to stay home with them while you worked so hard to provide for all of us. your generosity and graciousness will forever be in my heart for this. You and I loved our children with all our hearts and our families all stayed together. We are Special for who we are. You and I made it that way for them too. We knew we were blessed and no one could ever take that away from of us. - I will still be here for you and your children and will do all the things that you wanted and will continue to seek your advice from the heavens to help them through their loss of you, and all the things still happening in their lives. I know you will be with me and it will always be us together, Always and Forever. I Love You and have Loved You with all of my Heart and I always will. You will always be with me and I will always look for you and be with you in my Heart Always. All of us give you our

*love and will help us through . Your family and Mine have always been there for us . and your Friends and all of those lives you have touched in some way with your Specialness will be there too. Jimbo, made a mark on this earth that will never be forgotten by anyone. You were a great person and God sent you to me and we were blessed with more than anyone could ever have in the richness of our children and families. I Love You. I will never forget our dances and all the Songs we cherished together full of meaning. This is my Tribute to You and You know how much it meant to me and you together. Together . Forever. I Love You Jim. Thanks for everything and you have done with all of my heart. Your Wife Your Mother to your Children Regina . ( Gina ) Your Children Alanna . Gillian . Jenna . James, Jr. Anna . Always and Forever . Always and Forever . Each moment with You Is just like a dream to me That somehow came true, yeah And I know tomorrow . will still be the same 'Cause we got a Life of Love that won't ever change and Everyday love me your own special way Melt all my heart away with a smile Take time to tell me you really care And we'll share tomorrow together . ooh baby, I'll Always Love You Forever . . Ever . Ever . Ever There'll always be sunshine . when I looked at you, yeah It's something I can't explain . just the things that you do And if you get lonely . call me and take A second to give to me . that magic "You" make and Everyday love me your own special way Melt all my heart away with a smile Take time to tell me you really care And we'll share tomorrow together Ooh*

“ It has been our pleasure living next to the Trojan family. What a beautiful family, thanks to their Dad, Jim, and Mom, Gina, the children have grown to be thoughtful and gracious. When they see you they always give you a feeling that you are special with their friendly greetings. Jim was a special person who was outgoing and friendly and that, I am sure comes from his upbringing by his Mom and Dad. Remember Gina, Alanna, Gillian, Jenna, James and Anna that if we can be of help to you in any way we are only a few steps away and very willing. Know that our thoughts, prayers and heartfelt feelings are reaching out to all of you. It is hard to put into words all the feelings we have for all of you.
