“ To the Janssen family and especially my friend Cathy I am so sorry to hear of Jim's passing. He was such a nice neighbor and friend. In my mind's eye I will remember most chatting with him in passing as we came and went in our community. His love of swimming each day was a discipline I admired. No matter what the weather he was off to the pool to swim. I believe that he is healthy again doing the things he loved with the people he loved who went before him. May he rest in peace.
