“ irene and kids, I'm so sorry to hear of Jim's passing. I will always remember how your husband and father would do anything to help someone who needed it. One afternoon he dropped what he was doing to help me. I had borrowed a friends car and had gotten it stuck. I was panicked and didnt want anyone to see the car on the side of the road. Jim came to the rescue and got me out of a tough situation. Even though he was in the middle of something he took the time to help me and taught me a valuable lesson. Your father was a very very special person and friend, much love, Aileen

“ Sad to hear the news of "mr. langan"'s passing, but also know he's in a peaceful place w/ my mom and dad. I will never forget the many happy times at the Langan's playing sports, hangin' out and sleep overs. While there, I remember his infectious laugh and smile! Always positive and a great listener, "mr. langan" will always hold a special place in my heart and I will never forget those wonderful childhood memories. My prayers are with all of the family during this difficult time. I wish I could be there to give a hug! Such a special man....glad to have known him for the years I was blessed to have! Peace to you all, as he has found it....

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ Dear Irene, Renstroms and other family members, My prayers are with all of you. What a wonderful and kind man Jim was - always happy, warm to others - even us strangers down here in McLean. We'll miss his quiet strength on our street during your visits, Irene but hope you'll come see us soon. Bob told me tonight how surrounded by family Jim was - and about the singing! What a wonderful send-off for your patriarch! You are a special group of folks. Love, Mary

“ Big Jim, I already miss you and your humor. I will always remember your easy going personality, the way were always interested in what I said. I'm grateful for your help and your insight. You've left behind a good daughter and some really great grandkids. Rest in peace knowing you've done good for yourself and your family.
