“ *Marcia, I am so sorry to hear about Jim. I worked alongside him for many years at Nelson’s. We shared many a laugh through the years. I remember the time when Jim and I went to a Flyers game, and kept shouting at Gretzky to come over for an autograph during the pre game skate. I also remember we went to at least one concert together, and attended some of the same ones. I can also remember the many times we would run into Jim and you on Fridays at Giant.*

Whatever was thrown at Jim, he would just smile, and laugh. He was a kind and gentle man, that I know you and family are proud of and, that I’m honored to have called a friend.
