“ I am so sorry to hear about Jim passing. I always remember Jim with a smile on his face and that handsome square jaw and good looks. I wish that I would have run into him more or just talk to him in the last couple years the last time I saw him we had a good conversation and you know how it gets with everybody's life it gets busy and we lose touch with each other. Believe me you will all be in my thoughts and prayers. Your father was a good man and I'm sorry for your loss. I will be out of town for the next three days so I will not be able to make his funeral but I will be in touch somehow God bless you all
