“ Dear Woods family - I am sorry for your loss. What a great man, father, and husband he was. I can only hope that you are celebrating the wonderful man he was and his positive personality. I haven't seen any of you in years, but you were all a part of the village that raised me with Kristen and I was always grateful to have a second home at your house.

“ Dear Wilma, John, Joanne and all of Jimmy's family and friends, It is with great sadness that I write this message to all of you. I know that hearts are breaking for the loss of Jimmy. I know that losing my mom was so very hard this past month. For your family to lose two members so close in time has to be extremely difficult. May you be comforted by God's love and holy Grace and may Jimmy be up there with his (yours) and my family celebrating all that life was about when they were here on this earth. I know they are all watching over us and will guide us as we travel this earthly path without them. God Bless Jimmy and each of you also!
