“ *Im saddened that I could not come back home to celebrate your life today, but I will hold so many memories of you forever. So many laughs, crazy times, sad times and tears. Watching you grow and fall and grow into the person you were becoming before your time ended too soon. Only God knows your heart and holds the answers. Until the day we meet again my dear friend. I hope you have finally found that peace you were searching for. We all loved you Jamie but no one loved you more than Mom Piunt. I am so sorry for your great loss Gerhilde Piunt.*

*My my love and deepest condolences to the entire family and friends.*
