

Jane A. Caniz

November 26, 1951 - May 29, 2023

Jane A. Caniz, age 71, of Downingtown, PA, passed away peacefully on Monday, May 29, 2023, at her home surrounded by family. Born on November 26, 1951 in Philadelphia, PA, she was a daughter of the late James and Margaret Schaab.

Jane is survived by one son, Christopher, husband of Dana Caniz; and one brother-in-law, Rick Bobst and her niece Jamie Deckman. She was preceded in death by her twin sister Anna Bobst.

Jane was a graduate of West Catholic Girls High School, and her early life was spent in Philadelphia, PA. In 1985, she and her son Chris moved to Chesterbrook, Pennsylvania. Jane's love for her son was abundant and immeasurable and she was proud to have Chris attend school in the Conestoga School District then go onto Carnegie Mellon University & Villanova University where he received his advanced degree. Jane spent her over 30 year career as a Project Manager for Lockheed Martin in King of Prussia, PA until her retirement in 2015.

In 2003, Jane moved to Downingtown, PA to a house she loved. Christmas was her favorite holiday and she treasured decorating the house each year as well as baking her coveted Christmas cookies which people would ask for all year round.

Jane's friends were her family. She was endlessly supported by a group of lifelong friends; women who she was grateful to share all of life's best and worst moments with. Friendships like Jane's are rare, enviable and a lesson in loyalty and love. Hearing her tell stories to her friends in her distinct, sweet voice made everyone smile when they heard it and made her stories that much funnier. She will be missed by so many.

In her free time, Jane loved to travel with Las Vegas and Aruba being her favorite destinations. Jane was a great shopper and always gave the best gifts. Her generosity was vast and unforgettable.

In 2016, Jane welcomed her beloved dog Cooper, a Japanese Chin, into the family and she spoiled him to no end. Cooper will remain in the family and is currently enjoying his favorite past times, which are sunning on the porch and getting lots of scratches.

Chris and his wife Dana, welcome friends, and family to pay their condolences and celebrate Jane from 12-2pm on Sunday, June 25th at the Sheraton Valley Forge Centennial Ballroom II. Following the reception, guests are welcome to move to the Valley Forge Casino next door to try their hand at the slot machines as Jane would have wanted.

In lieu of flowers, memorial contributions may be made in her name to the Montgomery County SPCA, 19 E. Ridge Pike, P.O. Box 222 Conshohocken, PA 19428 or by visiting montgomerycountyspca.org.

“ Jane and I worked at Lockheed Martin together for years. We always talked in the hallway about our jobs and our sons. We adored our sons and they were our 1st priorities. Spoiled them endlessly and enjoyed every minute of doing so. We talked about when we thought our sons would marry. My son Jason has been married 11 years now to a wonderful woman. I now have 2 grandkids to spoil and get yelled at by my son over doing so. Funny! So happy Jane's son has married.
Rest in Peace Jane!

“ Jane was one of my closest friends. I met her in high school along with her sister Anna. Chris Fleming, Ellen Sims, Jane and I would become best friends. Those times were wonderful. (Dances, The Hot Shoppe, bowling, movies, sleepovers, etc) Then we had houses down the shore (North Wildwood, Stone Harbor) where we were wild & crazy gals. Jane introduced me to my future husband there, God Bless her. Jane married early but we still saw a lot of each other and it always included so much fun & lots of laughter. Jane was the first to have a son, Chris (I remember seeing him in the hospital) and thus began the love of of her precious son. She moved up to the Far Northeast and when I married, I moved up near her, too. I was able to see a lot of her & her son Chris. Later, even though we had different lives and lived further away from each other, the 4 of us continued to get together and so enjoy our friendship (in between were long phone calls.) I always remember laughing and laughing with Jane, she had the best voice. You just always had fun with her. She truly loved her son, Chris and did so much for him. I remember hiding his Christmas presents in my garage: there were so many. Aunt Jane was also so good and generous to my 2 girls Leigh & Rachel. She loved hearing about them and my girls loved her bunches. A recent memory was at Chris & Dana's wedding. Along with the bride Dana, Jane looked absolutely stunning and and the 4 of us had a blast. We were so surprised when she got Cooper but they also loved each other so much and I am glad she had him in her last years. I can't believe our 50+ years of friendship have sped by and that Jane is gone. I miss her so so much and she was and always will be a part of my heart. She was truly was a treasure. Love you Jane always and Harry does, too. PS: I can still hear you, Jane saying, "Oh buy it, you deserve it!!" Jane always felt you should treat yourself as much as you can. One of the dearest things of many, I loved about her

*Jane was always such a kindhearted person, I worked with her Dentist and friend Robert Rose. We always loved when she'd call with her little whisper of a voice, such a sweetheart. May she rest in eternal peace.

“ I've been blessed to have Jane as one of my closest friends for over fifty years. I will forever miss her wonderful laugh and how she was there for you during the good and the not so good times. I cannot imagine my life without her in it. There's a chamber in my heart that's empty since she left. I'm so grateful to have had the chance to hold her hand and laugh a wee bit before she passed. She asked me to look for her when I get to where she was going, and I won't have to look too far...I'll just follow the laughter and smiles. Love you forever Jane.
