“ Remembering Jane with love and much fondness for her endearing personality. She holds a special place in our hearts. Jane's smile could light up any room and we loved to hear her laughter. Our hearts go out to Mike and Calvin and pray you find comfort in knowing how loved Jane was by all who knew her. Doreen and Ed, we send our love to you, too. And also to all Jane's family. We wish we could wrap our arms around all of you in comfort. We will be in Scotland next week and it will be more special to us because we remember how much Jane and Mike loved their honeymoon there. We will say a special prayer for her from there and feel very close to her as we know she left a little piece of her heart there amongst the heather. Love from John & Nancy

“ *Mike, I'm very sorry to hear of your loss. You and your family have my deepest sympathy. The only thing that seemed to make sense to me yesterday was picturing you and your son, Calvin on a lake in that old yellow rowboat. You have been a strong mentor to me these past few years and I will always remember and appreciate that fact. I strongly believe that the spirit of your wife, Jane will live on through your son, Calvin. Please know that you have my deepest sympathy. Your friend, David Irving*

“ I have many memories of Miss Jane. The one that I recall at the moment is: Her Mother (my sister) called me to say that Jane had picked her some pretty yellow flowers (Jane was pre school age). They were from her tomato plants! :). I will surley miss her smile and take charge attitude. I love you Jane.
