“ Janet was the grandmother of my daughter in law. She shared a few holidays with us. And was a very sweet and loved person to my family.

Loved to share some of our pass memories of our children.

PS

“ Janet was one of my best friends for many years. We shared everything with each other. When she moved to Florida, I missed her very much. She was a wonderful Christian woman and we shared many hours talking about our Lord. She loved me and I loved her. She was a precious gift to me and I will always hold our memories in my heart.
