“ Dear Maddie, Katie, and Jessica. Sometimes life is so unfair. This is certainly one of those times. My heart aches for you girls and for the tremendous loss of your dear mom. Janice was always a kind person and I enjoyed the times I would see her either at East Pikeland or out and about. She was always so proud of the 3 of you. And, rightfully so. I remember there wasn't a Christmas that she didn't have you beautiful girls bring in a rose for me and Dr. Cox. That kind gesture meant so much. And the smile on your faces was priceless. She taught you well. And, she taught you to be kind and thoughtful. Hold on to that and continue to make her proud, I'm so sorry I can't be there tomorrow, but know that you are all in my thoughts and prayers. You know where to find me if you need anything. Sending you lots of love and hugs and my very deepest sympathy. Mrs. Trout

“ I have known Janice for over 20 years – working with her in the IT departments at Brandywine and Chester County Hospital. She always had a smile for you, a kind word and loved talking about her girls. If I ever needed help or advice with anything, I knew I could go to Janice and she would go out of her way to help. And if it was something difficult, she would stick with you until it was resolved. Janice - Your kindness and beautiful spirit will be deeply missed by all of us who had the great privilege of knowing you. You were a blessing to all of us!
My condolences and prayers are with her family.

It is with great sadness that The Rubino Family extends our deepest and profound sympathy for your loss. Janice will always be remembered by us as a beautiful woman both inside and out!!! We raised our families together. We went to back to school night together. We sat in the pouring down rain for our daughters' soccer games together and on and on...

Janice had only kind things to say to anyone she met. She had the most beautiful smile and such a sweet and caring personality. Janice cherished her daughters and her family in everything she did and in every way possible.

God bless Janice. We will miss you with all our hearts!!! You were a blessing on earth and now In heaven.

“ *Janice was such a kind soul! We shared so many laughs in college and throughout the years. She and Sue took me under their wings when I came to Millersville, and we all became so tight, becoming roommates, and through the years sharing in the joy of each other's life experiences, marriages, bringing children into the world, and the struggles that life sent our way. Through it all, Jan always had that beautiful smile, with those striking blue eyes, and an open heart too share in whatever you had going on. She was always thinking about others first, so it is no surprise that she was an organ donor.. I am certain her beautiful soul made heaven even more special Friday. Until we see each other again, rest in peace my dear friend.*

In working with Janice, I remember her frequently being the kind person who would collect money for a fellow co-worker's gift. Her beautiful spirit would fill an office meeting with a calm, reassuring presence. She loved her daughters and always spoke so proudly of them. Once we spoke about Polish Christmas traditions and I gave her a Polish wafer to share at her Christmas dinner. She will be sadly missed. My thoughts and prayers go out to her daughters and family members.

I only knew of Janice through working with her on only one project. But she was so kind and thoughtful to me during that period. I know that she will be missed.
