My heart breaks for the loss of JJ... he was one of the most giving, loving and colorful guys I had ever met... My daughter married him and loved him very much.. Time on this earth is sometimes measured in how full of a life you lived rather than how long you lived. JJ got every minute of every day to it's fullest... I'm a better person to have met JJ and hope that we all have learned something from him... He had so much love to give. I hope and pray that you all find comfort in the days to come... we will miss JJ.
