“ Almost 10 years after the fact Jason and his kindness have stuck with me and I am very sad to learn of his passing. He was one of the only people who made me feel welcome in the church Youth Group over at Calvary Fellowship Church. He was such a peaceful and gentle person. Sorry for the loss to his beloved family and friends. May he be resting with the Angel's and his brother now.

“ I worked close with Jason when he was in his role as an Engineering Assistant at Precision Medical Products. He set the bar very high for all Engineering Assistants that followed. His ability to quickly learn new things, his willingness to take on any task, and his ability to leverage technology and apply his skills was outstanding. Jason's performance benefited my career and his impact to the organization lives on today. I will forever be grateful for the opportunity to work with Jason and get to know him as a friend.

“ I have only great memories with Jason. In college with juggling in particular. We were great friends for several years and all I looked forward to many evenings was going to Posvar Hall at Pitt, and juggling with Jason and Lee. Miss you Jason :(

“ I remember meeting Jason at Lionville Middle School. We had a lot of fun in school and also being on the wrestling team together. Jason always had a smile and was more than willing to lend a hand in any way possible. We reconnected recently and still had the same ability to bring light where there was darkness. Jason always spoke highly about his family. I will always remember how kind hearted Jason was.

Mark, Becky & Megan, I still can't believe he is gone. He was such a sweet and special young man and both Bob and I always enjoyed our visits with him. I am heart broken for you 3 as I know how difficult this has been for all of you. Please know the rest of the family is hurting too as we all loved him. I am so very glad we spent those special days together over Christmas celebrating Sharon's Birthday and Christmas. It was meant to be so we would have one very special weekend together and enjoying time together. Bob and I love all 3 of you and you are in our thoughts and prayers and thoughts all the time. We love you! Bob & Dii
