

Jean Mansur

April 22, 1929 - April 6, 2009

Jean Elizabeth (Eagle) Mansur, wife of George E. Mansur, peacefully left this world in her sleep on Monday, April 6, 2009 at her home in Phoenixville, PA after a long and courageous struggle with cancer. She was 79. Born in Phoenixville, she was the daughter of the late Margaret D. and Thomas L. Eagle. She was a 1947 graduate of Phoenixville High School and a graduate of Moore College of Art in 1951. She married her husband in 1951 during the semester break of her senior year at Moore and they recently celebrated their 58th wedding anniversary. She was a talented artist and textile designer. After graduation from Moore, she was a designer for fabric firms in Philadelphia and after moving to Buffalo, continued to be active in the Philadelphia and New York market through her agent. Jean was a beautiful person who created beauty in the things she touched wherever she lived or traveled, whether in Buffalo, NY, Ardmore, Wyomissing Hills, Highland Park, IL, Monkton, MD, Phoenixville or the world. She created original Scherenschnitts, original craft boxes and other works of art throughout her life. An accomplished knitter and teacher, she also earned a master Gardener designation while a member of the Lutherville (MD) Garden Club where she was a Director and Officer. Since returning to Phoenixville, she has been a volunteer and a Director of the Historical Society of the Phoenixville Area and an active working member of the Kiwanis Club of Phoenixville where she was a Distinguished Kiwanian and a Delegate to International Kiwanis Conventions. She also has been an active member of St. John's Lutheran Church where she has served in various

capacities and whose members have been an unbelievable support in her last years. Jean, as a person, radiated beauty and grace throughout her life, but her family will treasure her greatest legacy-that of an unbelievably compassionate and nurturing mother, beloved grandmother and role model for all.
