“ To Brian, Gregory, spouses, and grandchildren,
I did not know of Jeanmarie 's death until today and Bill's also. I cannot express my shock, and the tears came. I grew up in Phoenixville and went to Sacred Heart School and the Shepsko family was always admired and were in the Sacred Heart Guild and Holy Name, and friends of my mother and father, Eleanore and Michael Labik. Jeanmarie and I remained friends and helped me with many issues with my mom's care. Bill would stop in my flower shop and get flowers for Jeanmarie 'just because".My deepest sympathy and love and thoughts go out to you all, and I will pray for them and remember both of their wonderful personalities always.
Love, Kathleen Labik Tarlecki and family, with sadness and tears.

“ Words fail at a time like this. Jean was my friend for over 30 years and we shared many hours together at work and times outside of work. Jean was my right hand for 26.5 years at Professional Nursing Services, Inc. When she announced her retirement I lost a valuable employee and her presence is still felt today.

The news of her death completely shocked me and as I write this I still can't believe she is gone. I will miss her Paska every Easter and the Christmas calendar she supplied me with each Christmas. I will miss our talks, and lunches my friend is gone.

Jean loved her family and was always ready to talk about her grandchildren. No grandmother could be more proud. She was equally proud and spoke with such joy when she talked about Brian and Greg.

Jean was welcomed into the arms of our Savior I have no doubt of that. Jean had a hunger for Jesus and became quite a Bible study individual.

My prayers for the entire family will continue as I know this is a shock and extremely difficult to face.

Sent with love and tears,
Nancy S. Turner .
