“ To The Family, It is hard to lose one so dear to us. It seems like the time we had with them is very short. Imagine having them with us for eternity without sickness, pain or death! (Rev 21:3-4) Is not that a wonderful thought? The original purpose for mankind was to live forever in a paradise earth free from these things. Adam and Eve were placed in this paradise after Jehovah God created them. (Gen 2:7-23) It was never Jehovah's desire for us to die. He will shortly execute this plan and remove all wickness from the earth. Thus returning it to the paradise conditions it was created for. Once that has been accomplished we will again see our dear loved ones and have the pleasure of spending an eternity with them on this earth. (Ps 37:10-11) Please keep those precious memories in your heart and mind of your loved one. Jesus Christ gave us the model prayer to ask for Jehoavh blessing. (Matt 6:9-13) He is making all things new! (Rev 21:5) My prayers all with you all! C. Smith

“ To Henry, Pat, Sue and Teri. Jeanette was always a wonderful sister to both of us. She said many times that Shirley was "the sister she never had". Jeanette was the GLUE that held the Stipa Family together as we grew up and worked our way through life. You are all in our prayers as we celebrate the life of this humble and great member of our Family.

“ To Uncle Hen, Pat, Sue and Teri...you are in our prayers as we remember with great love our dear Aunt Jeannette. The video is a beautiful tribute to such a wonderful Mom, Grandmom, Sister, Sister-in-Law and Aunt. How many times did she give us advice, feed us, tend to our injuries or broken hearts, celebrate our joyous occasions, and just laugh right out loud with us. She was a gentle, warm and safe haven whenever we needed it, but could also be a "powerhouse" when she yelled "Daddy" and Uncle Hen came a running! We are so gratefully to God for the gift of Aunt Jeanette. She will live on forever in our memories, and in our hearts. May God hold her in His arms as closely as we hold her in our hearts.
