I am so sorry! We met through our ancestry and on Facebook. I have a picture of Jeanne with her parents and grandparents. They stopped to visit us. I was about 11 at the time. Her grandfather was my mother's first cousin. We enjoyed finding our common roots and I enjoyed keeping in touch with her and seeing pictures of the family. I would love to keep in touch with the family. You can find me on Facebook under Helen Shunko. Please accept my condolences.

I am truly heartbroken. Jeanne called me her best friend the last time I saw her. She said here's my best friend I havent seen in 20+ years. We laughed so hard. Jeanne & I worked together about 40 years ago at Combustion Engineering. She was one hell of a worker. Taught me everything about that job. We remained friends for many years after. Did concerts & had many bbqs together in the good ole days. Many years went by and life happened to us both. We didnt keep in touch. However, I always thought of her and her soothing voice and her funny laugh. So many great memories of you Jeanne. You will be truly missed. Rest peacefully my dear friend. ~Lisa Super
