“ Dear Michelle My heart is still breaking for you; I never gave up praying for that miracle. But, that just wasn't God's plan for Jeff. Although I, too, never met him, I know he had to be a great guy 'cause he caught a great girl like you. Please know that he will always be with you and watching over you. Remember your fellow Soroptimists are here for you now and always. Carolyn

“ Michelle & Mom, I am saddened deeply by losing Jeff. I know your pain is great, and I can tell you from our conversations together that he loved you both very much. I am glad to have been able to know and work with Jeff at HD of Seaford. I respected him greatly. His presence was that of confidence. He would be the first to back you up. He was the best at what he did. Usually he needed not to use computers or books to get the people what they needed. I wish I could have been able to spend more time and keep in touch with him once we parted from work. Please feel free to contact me if I can do anything, my number can be retrieved at Seaford HD.

“ Michelle, I know you are numb right now. Words seem empty and meaningless. This will pass with time. I never had the opportunity to meet Jeff except thru you. When you spoke to me about Jeff your Unending love just oozed. I know your heart is broken. Your life will never be the same.....it can't without Jeff next to you. You have been there for me for years. You always cared how I was after Kurt's death and you always made sure I knew I was never alone, you always had my back. I am here to tell you, I will always be here, only a phone call away, you are never ever alone. And now you have someone watching over you 24/7. He will be beside you even though you can't see him, you will feel him there. I Got Your Back, Always, Tammy, SI Phoenixville

“ Michelle, Donna informed us of the accident and the loss of your husband. My heart just aches so much for you. Just starting to get to know you at Spring conference. Your wonderful demeanor and smile is what I can remember. When you are around you bring joy to the crowd. This must have been your relationship with your husband. From reading the obituary you haven't been married that long but I am sure the 4 years have been wonderful. Just keep those memories close to you.

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
