“ I cannot believe this tragedy. My heart goes out to her family and friends who mourn her at this time. I had the opportunity to meet her and get to know her back in 2004 through Tom. She just always wanted to be happy, and now she is and forever will be happy in heaven. God bless your soul, Jen. You will be missed by all who treasured your presence. Love, Laura

“ My prayers and thoughts are with Jen's family. I have three older brothers and Jen was like a sister to me. We had the same sense of humor. We thought it was great that our Birthdays were only one day apart, mine being Nov.5th,1967. I'll miss her. Jennifer Fife

“ *My Beautiful, Beautiful Jen!!! I was blessed to have been a part of Jen's life from April 17, 2009 through May2, 2009. She was my roommate at Valley Forge and we grew so close. We always laughed and said we were sisters. We went everywhere together. We would talk and listen and laugh with each other until late at night every night. I told jen things I wouldn't normally share with someone, but that's the kind of person Jen was. She was so honest and open and caring and sensitive and funny and smart, and of course beautiful. She spoke of how much she loved and missed Janeen, and how much she loved Jeessica. She talked about her love for Tom. I share your grief and i just know that God is comforting her now and has released her of her burdens. Jen looked like an angel and smiled like an angel, and I know that because she was so full of love for others God is filling her with love now ..Please trust that Jen is at peace. She would want people to celebrate her, not mourn her. Bless you all*

“ *Occasionally, we are graced with the presence of an earth bound Angel. They are unable to stay with us for long, but while they do, they bring unprecedented joy and Happiness to all they touch. While they are here, we bask in their goodness and marvel at their contribution to the world. When they leave, we are left with the devastation that comes with losing such a wonderful being... but we must remember... the earth bound Angels are not ours to keep. they are ours to enjoy, learn from and behold until they return home. Jennifer, I kept my promise about this poem...rest peacefully "sweety"... I will miss you. love you Deb*

“ Jennifer was my territorial representative, and I liked her A LOT. When she left that position, she was kind enough to call me to tell me goodbye herself, rather than for me to learn of this through the mails. Jennifer told me, at that time, that I was a real role model for women, and I will treasure that honor from her forever.
