“ I had the honor of working with Jay at Trans-Fleet. He was an amazing co-worker and someone that was very easy to talk to and get along with. I always enjoyed going to his job sites and looked forward to our many conversations about life. He will be missed and remembered fondly. My prayers go out to his family durin this difficult time.

“ I had the privilege of knowing Jay when he came to my plants to haul sludge. We would spend a few moments to talk about the events of the day or share our common thoughts on what our future plans were. He was a great guy and he will be surely missed.

“ I had the priviledge of meeting Jay several months ago as he became a part of the "Aqua Family". Although I did not know him long, instantly I knew he was a man who had a humble and kind soul. My heart aches for his family, friends and our co-workers. My family will continue to pray for everyone for peace, comfort and understanding..."**TRUST IN THE LORD WITH ALL YOUR HEART & LEAN NOT ON YOUR OWN UNDERSTANDING**" Proverbs 3:5...  
Sincerely....Willie & family....
