“ I remember how welcoming Joan was when I would come to visit her daughter, my dear friend, Carol, on Airport Road. She had all of her own children and all of their friends, and there were the pets and animals too. She cared, truly cared. I remember her sweet smile as she listened to us talk at the table, and she was always offering food, and cooking breakfast, lunch or dinner. Joan was truly "Mom" to so many, and the best mom to her own children. The family life and love that Joan offered, not only mended scraped knees, but broken hearts. I see this same kind of love and devotion in the family who remains. Your love, Joan, which represented God's love, remains with us in so many ways. Thank you "Mom." We love you and miss you! “ To all of Joan's children: I remember playing in Aunt Hazel's yard with many of you. We were only kids then and I always liked Cousin Joan and seeing her when we came up to visit. Cousin Joan called Mom (Aunt Stella Kemp) after Dad passed away just a week before she also left us for heaven. Mom was so touched to hear from her and was so sad when she learned she had also passed away. But she and Dad are both in heaven now. My thoughts are with you. It's been many years since we have seen each other but we are still second cousins and she will be my lovely Cousin Joan.

“ *"The Broken Chain"*

We little knew that day, God was going to call your name. In life, we loved you dearly, In death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you, The day God called you home. You left us beautiful memories, Your loves is still our guide. And although we cannot see you, You are always at our side.

*Our love, our prayers, and our comfort are with the Costa family during this difficult time. Celebrate and remember the beautiful moments you shared with Joan. They will be in your hearts forever.
