“Joan was my other mother throughout my high school years. I would walk from Phoenixville High to her house and talk the rest of the afternoon away in her kitchen until my mother was finished working at the Y and stopped by to pick me up at Joan's house on Hallowell Avenue on her way home. Joan and my mother worked well together, and they became such good friends. Joan was a stabilizing influence in my life when I needed it, and I was grateful that she always made the time to talk with me. She had a tremendous heart and I'm grateful that she had room in there for another kid in addition to her own great children. And when David entered Joan's life, it was like I had another mom and the dad I never had. I know my mom would want me to send her love along with mine to Glenn, Gary, Sandy and Randy in remembrance of Joan. I'd like to believe that they've found each other and have picked up their friendship right where they left off. My deepest sympathies and prayers go out to Joan's entire family and all who loved her.

“My condolences to Glenn, Gary, Sandra, and Randy from a former childhood neighbor who spent many an hour in your yard on Hallowell Ave. I have numerous fond memories of the wonderful people like your mother in the neighborhood and the good times we all had together. And every time I drive by the house those memories always bring a warm feeling to my heart. She will be sincerely missed and my thoughts and prayers go out to you and your family.

I worked with Joan several summers at Baker Park pool. I loved her. She was like a second mom to most of us! Being friends with Jeanne and Laurie Young, I saw Joan many times throughout the years. I loved her sparky personality and her million dollar smile! She will be missed. Those were the good old days!

“ *What a fantastic lady. My teenage working years at the Phoenixville Y brought me into contact with Joan (and Dave), who remained friends for years. My prayers for her, and my sympathies to the family.*
