“ *Joan was such an incredible person. I will be forever thankful to her for befriending the children of our church (one of my granddaughters in particular) and keeping the art of letter writing and card sending alive. We so missed her when she moved back to PA and were so happy to have her come back to visit last summer. She seemed happy to be near her family again and now will be at peace. She was well loved and will be sorely missed. Rickisue Daly Aztec, NM*

“ *I was sorry to hear about Joan's passing. I am 64 years old but it seems like yesterday when I had Miss Watson in seventh grade history. She was a great teacher! Her classes were my favorite. I am sure that many of her students feel the same and her legacy lives on in those students.*
