Tribute Wall

“ After watching the video tribute I am kind of at a loss of words at the moment, although my wife and daughter never had the blessing of meeting you they still know how much of an amazing woman, mother, grandmother (GG), sister, and great grandmother you were! You are gone to a better place now and no longer suffering but you will never be forgotten! You will live on forever in our thoughts and our memories! I love you!

“Gramma” your love was one of a kind, unconditional, and pure. I have so many memories that I would not know where to begin, but your memories will always stay close and dear to my heart. You may be gone, but you will never be forgotten! I love you and miss you terribly; until I see you again, this is not goodbye, but a “see you later alligator” (as we used to say to each other)💕
