February 4, 1982 - April 9, 2014

Joel B. Keyser, 32, of Limerick, passed away suddenly on Wednesday, April 09, 2014, at Phoenixville Hospital. He was the husband of Leah (Leneweaver) Keyser.

Born in Pottstown, he was the son of Robert L. Jr. and Joan E. (Chrisman) Keyser. He was a 2000 graduate of Spring-Ford High School and graduated from Katherine Gibbs School of Technology in 2002. He was employed by Eagleville Hospital as a senior network analyst.

“ To the Keyser family...my thoughts and prayers are with you during this time. May the Lord cover you in His strength and grace and may your lifetime of beautiful and special memories comfort your hearts.

*I will miss Joel's infectious smile, his one of a kind laugh and the wealth of technology information I learned from him on a daily basis. I will definitely miss his constant "friendly attacks" on my love of all things Samsung Galaxy and not Apple. Boy did those conversations get hysterical.*

*I will carry with me so many fond memories...so many laughable moments...And most recently Friday, April 4th as we laughed and joked about ridding my office of an old printer and Joel asking me if I wanted to take a few minutes to say goodbye to it alone.*

*RIP Joel. You are missed more than words can say.*

“ I only met Joel a few times and could immediately tell he was a really good guy and a pleasure to be around. My heart goes out to Bob and Joan who did a wonderful job in raising such a nice young man. My heart also goes out to Ashlee, his wife and children whom I have never met. Hang onto to those wonderful memories and please know that your friends and family are all thinking of you.

“ I met Joel when he started working Eagleville Hospital. He was a very bright, knowledgeable, funny, helpful person. He was very family oriented. He talked about Will and was son excited when he learned he was to have another child and that child turned out to be a girl. He told of how he surprised both families at the holidays with the news. He showed pictures of Will holding Cassidy in his "pint sized recliner" looking at her in awe. He was very proud of his family and was hoping to get involved in his new Community. He couldn't wait to make settlement on his new home with the pool and to get it open for the summer. He had such a zest for life and his family and friends. He was very outgoing. I work in HR and h was in our offices quite a bit when we had early morning problems. No complaints..... well many a little, but he did help us. He will be sorely missed. It will be hard to fill his shoes here. My condolences go out to Leah, the children, and both extended families. I will keep you all in my prayers.

“ *My heart goes out to you Leah, Will and Cassidy, and all that loved Joel. I worked with Joel at Eagleville Hospital where Joel never told anyone that he did not have time to help. He was a true team player and will be missed by his Eagleville family. Leah please know how proud he was of you and your beautiful children. He never let a chance go by without talking about all of you or showing photo's of his family. Joel was one of the good guys and will truly be missed. My thoughts and prayers are with you, the children, his and your parents at this very difficult time. Joel was loved and so are you and your children.*

*No matter how much time slipped by, I have always considered Joel and Leah to be my dear friends, and that friendship extended outward to include many of their family members as well. I hold these relationships dear, and I'm sending my love and support to the entire Keyser and Leneweaver families. I'll never forget Joel's laughter and smile and wonderful sense of humor, or his loyalty and commitment to those he loved. He will be sorely missed. Blessings to all who grieve, and may you find some measure of peace in memories of happier times.*
