“*Millie and Family As my sisters have said I have known John my whole life. I have always enjoyed talking to him about Penn State even though I am not as big as a fan as Cathleen. I will always remember talking Eagles and Phillies with him. It wont be the same when I look over and he is not there. The two of you have been an extension of my family and have enjoyed having the two of you there to talk to now and then. I will be there on Friday for visitation but will be unable to attend the service. One last thing that I will always remember about the two of you is when I played football and seeing the two you in your seats at all the Home games. I will always remember talking Spring-Ford Football with John in the fall. He was a true joy to have as a friend and neighbor as I am sure you have been told over again. My parents wanted to say that they are sorry to hear about John and they wont be able to attend because of a previously planned trip. If you need anything at all dont be affraid to ask. John is always with us in what we remember about him and that I am sure he is looking down on us. At least he got to see the Phillies win the championship one last time. God bless John and your family at this hard time.*”

I always enjoyed chatting across the street with John about Penn State. I'm sorry I won't make the memorial service because I'll be away, but you are all in my thoughts and prayers this week. Please do not hesitate to ask if JR or I can do anything for you.*
