*This is a wonderful tribute to your brother. I know this is a very hard time for you and your family. I know the pain, the shock and longing to see your brother again...just remember all the good times your shared and the beautiful memories you have of your brother. They will make you laugh and cry. You will always have them to hold onto them. Nothing can take them away from you. Take care,*

“ To the Gambino Children:  
We send our Condolences from the old Christian Salvesen where your "DAD" use to work years ago. I myself just spoke to your "DAD" not long ago because his darling daughter was about to be married. He told me that as soon as she became pregnant he was moving to AZ. I use the word "DAD" because that is what he was. He loved the three of you so much and would do anything in the world for all of you. The two of us hated summer camp because we were both single parents and it was so expensive. We use to bring in gingerale and toast to the first day back to school. Know that your "DAD" was a great man and will be sadly missed but never forgotten. Stay strong in his spirit.

“ John, Justin and Jocelyn, I went to high school with your dad and then when you kids were growing up we all spent alot of time together at Little League.

Your dad was a great guy, he loved the 3 of you dearly, I am sorry to hear of his passing, I think I knew him well enough to say on his behalf, don't remain focused on his passing, as you will see him again in heaven, but do honor the life he shared with others and especially the 3 of you while he was on this earth. As long as someone remembers a good memory, or a time they spent in his presence, his spirit will live on!! Celebrate his life, its the greatest gift and honor.

My heart and thoughts are with you during this time and I pray your hearts do not remain heavy for long, give your burden to God and he will sooth your pain.

Peace be with you all..
