“ I always wondered what happened to my dear friend John. I was trained at my job at PNC (Continental - Midlantic Bank) in computer programming in the early 1980's. He was a great teacher, co-worker and friend. I often think of the many conversations and laughs we had along with his double quarter pound lunches. You will always have a special place in my life. Sorry it took so long to find you. Rest in peace my friend.
