I only met him once, but that one time left me with a man that I respected and loved. Treated me like one of his own and I couldn't be more honored to have him as a Pops!!! You are forever in my thoughts. My heart hurts for your family!!! I love you all!!!!

My favorite memory of my cousin John, was spending time with him at his moms. I'd watch him fix breakfast for Rex(eggs, sausage, toast, coffee.) then he let me feed his goldfish. A strand of spaghetti held over the fishbowl
And up he would come and take a bite. I thought John was the best, I loved to be around him, he was always kind to me. John was my first best friend.
