“ Patty and family,

Jack has been a friend and a wonderful neighbor for over 40 years. He will be sorely missed and we will never again look at his front porch without seeing him sitting there. He and I spent many a day having a beer, reminiscing about our time in the service and listening to his oldies. Our loss is heaven's gain.

With love and deepest condolences, Denny and Sally

“ We have been friends of Jack, Pat, and family, Kelly and Katie for many years. I always had a smile on my face when Jack and Pat were around.

I remember the time I fell into my trash can and made the mistake of telling Jack who then put about 10 band-aides on my face. Wouldn't you know it, Jack fell into his trash can a couple of weeks later.

May the Peace and Grace of Christ be with Pat and family in the days to come.
