“ 12-5-14. It is hard to believe that it has been a year since you left us dad. There hasn't been a day that has gone by that I haven't thought of you and missed you! I still find myself at times, thinking, "I need to call dad and tell him this" , and then I remember that I can no longer do that. I miss you terribly! i love you dad and will see you again someday.

Love, Shelley. xoxo ❤️

“ *Dad, I miss you terribly! I love you more than I could have ever possibly shown! You were a wonderful man and father and I was always and still am so very proud to be your daughter. I have so many great memories from childhood and adulthood that you were a part of or the reason for. I was so lucky to have you in my own children's lives. They both love you with all their hearts. Because of you, they too will have so many wonderful memories. You may not be physically here with us anymore, but you will be always and forever in our hearts and memories!! I Love you daddy! You rest now and I will see you again someday when you are there waiting for me to cross the gates of Heaven.*

Love, Shelley

“ *John: You are a good man who will be sorely missed. You are a great father-in-law and a shining example of the loving and caring grandfather I hope to be able to be some day. You are such a big and positive part of the lives of Lyssa and Brooke and they have become the wonderful young ladies they are due in large measure to the many things you gave them, such as your love, and your support.*

Love,

Michael
