*Such a nice video tribute, wonderful pictures and nice to see a large family surrounded him. So nice to see these pictures of John having fun. At work he was very dedicated and serious, but periodically we would share lunches and he would speak of his daughter, grandson and text me bible verses and updates. I know he would work and attend church faithful, firm on his beliefs which I admired. Great guy, so much personality! Rest in power dear friend. You did good and you can rest now! God Bless the family. I will post some work pictures and some pictures from an event in Limerick at a mutual friends event from way back soon.*

*Take care,*

“ Our brother/uncle John was a God loving man who loved his family. He was always there to lend an ear and give his best advice. He always remembered special occasions and birthdays where you would at least receive a text message. If he knew of a problem in our lives, he made a special call to us to make sure we were okay. The gentleness of his love was most comforting. So, to honor his life, we are praying that God blesses the trees that are to be planted in his memory. May they grow with the strength from the love of the biggest heart we knew in our lives. Our "loving Gentle Giant" John. We love you and will miss your presence in this world. May God bless us all! Thank you, God, for the privilege of having this precious man for our sibling and Uncle....
