“ Condolences to the family during this time of grief and loss. A Veteran deserves special recognition as we approach Memorial Weekend. Reading this obituary, Jack, as we called him here in our community lived a life pleasing to God and to his neighbors. My memories of Jack were attending a bible study he was at when I moved here and also seeing him in and out on occasion. I actually think I maybe was his partner one time in a shuffleboard competition, which was fun. (of course he was better than me). I remember Jacks laugh. He lived a full life, and thanks Jack for the one pink rose you gave us ladies on Valentines Day.
