“ My nephew Jordan was a very special and unique individual. He was quiet and reserved but it was clear that he was caring and concerned about others. Jordan and I had many conversations over the years at family gatherings. He and I shared common interests like target shooting and action video games. We would talk at length about these topics and others. It was during these conversations and the time we spent together that I got to know a young person that was thoughtful and kind. He was someone that was always searching for his place in the world.

My heart aches for the loss of this dear boy and the unimaginable sadness that his parents are experiencing. The time I spent with him will live on in my heart and mind. He has left us all far too soon. May God bless and keep you my beloved nephew.

“ I remember when Jordan was born. What a beautiful baby he was. He changed the dynamics of our family tremendously by bringing joy and happiness back. He made my parents, his grandparents, so very proud. Jordan was such a sweet and sensitive person who treated everyone with compassion and kindness. I will miss him dearly for the rest of my life. Our family will never be the same without his presence.

I am so sorry to hear about Jordan... I still have fond memories of us growing up together... playing video games, eating Chinese food, going to Dutch Wonderland... and I still have the necklace Jordan gave me for Valentine's Day back in high school... I am so very sad he is gone so young... Love you, Linda and prayers to you and the rest of the family <3

I remember having the privilege of babysitting Jordan when he was a little boy. He was so much fun!!! Jordan grew up to be a quiet, loving young man. He was adored by his family. I know I will miss him terribly. My prayers are with the family. Jordan will never be forgotten!!
