“ Joe, so were so very helpful with my mothers estate. You always had a smile to your face, and I always had great respect for you not only as an attorney but as a friend. I am sorry to hear that you have left us.

“ We have had the joy of sharing Joe's friendship for more than thirty years. During those years, good and bad, we knew we always had someone to rely upon. He offered good counsel when needed, and good laughs all the time. We know the right thing to do is to celebrate the good years we had with this good man, unfortunately we are not quite there yet. We wish the family well in these hard times, and hope that Joe is now tracking a twelve point buck in heaven.

With much love,

Tom and Donna Speers

“ Every day Joe made us smile and made this office a happy place to be and work. He was a dedicated and accomplished lawyer whose clients loved him. Joe was warm and caring to us all. He was enthusiastic about every case and took an interest in everyone’s life that he came in contact with. He was the touchstone for questions of ethics for the firm. He never turned away a client and he was intuitive and insightful into complex legal problems and personal concerns. Life is not the same for us.

“ Dear Ciccitto Family:
I am so sorry to hear the news about Joe. I had the pleasure of working with Joe at KCA. We shared early morning chats before he was off to the Court House. He was a special person. He was not only my employer but a friend. It seems like just yesterday we celebrated his 50th birthday.

My thoughts and prayers are with you.

“ I have worked with Joe here at his firm for 3 years. I have experienced the treasure of his friendship and the advice he has shared with me about many things in life. I have had the pleasure to share holidays with him and his family, as well as summer picnics. He has made me laugh many times and has been there for me as a friend, an employer, a confidante.....I will miss him dearly and cherish the memories I have of him for a lifetime. Maryann, Frank, Jennifer and Gina, I want you to know that I am so sorry for your loss and please know that you are in our prayers daily.

“ *Maryann & Family*

I hope you enjoy the pictures I added to the Gallery, there are many more pictures of memories of good times, I will miss him dearly as my boss, he truly was always there for all of us here, I will miss the most is being able to just walk into his office at anytime with any concerns and he always stopped whatever he was doing and guided me to the answer.

“ *The measure of Joe's life was in the common, everyday things that he considered gifts- the foremost among them were his family, followed by friendships, his faith, colleagues, cooking, practicing law, the outdoors and a deadpan sense of humor. Joe always seemed to know the right answer, and how to do the right thing and his example is a treasure to all of us.*
