“ *Deeply Saddened to hear of Joey's passing. We were classmates at St. Ann's and graduated together at PAHS. Whenever I crossed paths with Joey, he was always happy to stop and chat. I last spoke with him at our PAHS reunion last September. May he rest in peace.*

“ *Planted a tree in memory of Joey but for some reason it shows up as anonymous--that would sure make Joey laugh! He was one of my brother Ed's closest friends. Lots of fun memories of Joey at our house as kids, and later as adults. My heartfelt condolences to his wife and family.*

“ Joe was one of the kindest people I've met! My kids and I would always see him drive around bc he would be visiting his sisters who live very close to me. He would often bring a box of donuts for my kids. He did it often enough that my kids referred to him as the donut man. He was always smiling and funny. Hey Joe, say hi to Megan for me.

Thank you Marji! Yes I remember that about the donuts! He really enjoyed you all as his neighbor before we were married in 97! ❤️

I met Joe in first grade at St.Anns. We were altar boys together in the late '60's. Our paths used to cross at 7:30 Mass or Forestas. Joe always went out of his way to say hi, ask how I was doing, etc. He would help us set up for election day at the tech school. I last talked to him at our high school reunion last September. The one thing I remember is that he would always tell me what he thought, straight, honest and unvarnished. I always respected that. It's time to rest, Joe. God bless.
