“ Would like to extend our sympathies and prayers to the family of Joseph Simon who was our next door neighbor and friend. I don't know what we will do now that he is gone - no longer hearing him come in the side alley - sweeping the sidewalks or helping us shovel out our cars - or remembering how he would let us know if it was raining when the clothes we hung out were getting wet - we have very fond memories of him. When my parents moved in to our house his mother and father were still living. So we were deeply saddened to hear of his passing. He will be remembered with much love.

“ My family really misses my Uncle Joe. He was like a father to us after our own father John Sabo died and he always took care of his sister Ethel. Thank you to all that came out to his funeral and your prayers.
