“*Josie (Granny) was always like the Pennsylvania Grandma to me and Terry. Always thoughtful, kind, and a whole lot of fun. I think i will always remember her as giving and fun!! My love to the entire family in their time of reflection, sorrow, and pain. I think it will always be easy to look back on "Granny" with a smile!!*

“*I'm so sorry to hear and wish that I could do something. I'm unable to attend the services due to my health, but my thoughts and prayers are you. Josie was a very special person and I will never forget her. You are a very lucky person to have had a wonderful woman like her in your life. I am so glad that she was in mine and my father's and I know how happy he was to have her in his life.*

“*There are no words to express the feelings that we are all having at this time. She was very special lady and I will always cherish the times we had together. The joy, the laughter, and the precious memories she left us will live in our hearts for always. With time....and the love of family and friends, I know we can find peace and comfort through this most difficult time in our lives. From the bottom of my heart..... Love Cousin Patty*
