“ To the Heffline Family, I am sorry for your loss. I played baseball with Dennis, and with Dale, in the various Royersford leagues and enjoyed the presence of Skay at the ball fields. There was so much to learn from him. I pray for your comfort during your time of grief.

“ Darryl- Our heartfelt condolences go out to you and your family during this time. I can only imagine the thoughts going through your mind, but I rest assured your Mother was very proud of you in the manner in which you have conducted yourself throughout your life. The last few months have been very taxing for you, so take consolation in the fact there are strong arms around you to draw consolation for the past, comfort for the present, and hope for the future. If there is anything we can do for you now or in the future, please do not hesitate to let us know. With best regards, Terry and Barbara McInerney
